

**ADVANCED CHIROPRACTIC RELIEF DR. GREGORY E. JOHNSON, D.C.**

**Bournemouth Questionnaire-BACK**

NAME \_\_\_\_\_ DATE \_\_\_ / \_\_\_ / \_\_\_ AGE \_\_\_\_\_

The following scales have been designed to find out about your BACK pain and how it is affecting you. Please answer ALL the scales by circling ONE number on EACH scale that best describes how you feel:

1. Over the past week, on average, how would you rate your back pain?  
No pain Worst pain possible  
0    1    2    3    4    5    6    7    8    9    10
  
2. Over the past week, how much has your back pain interfered with your daily activities (housework, washing, dressing, walking, climbing stairs, getting in/out of bed/chair)?  
No interference Unable to carry out activity  
0    1    2    3    4    5    6    7    8    9    10
  
3. Over the past week, how much has your back pain interfered with your ability to take part in recreational, social, and family activities?  
No interference Unable to carry out activity  
0    1    2    3    4    5    6    7    8    9    10
  
4. Over the past week, how anxious (tense, uptight, irritable, difficulty in concentrating/relaxing have you been feeling)?  
Not at all anxious Extremely anxious  
0    1    2    3    4    5    6    7    8    9    10
  
5. Over the past week, how depressed (down-in-the-dumps, sad, in low spirits, pessimistic, unhappy) Have you been feeling?  
Not at all depressed Extremely depressed
  
6. Over the past week, how have you felt your work (both inside and outside the home) has affected (or would affect) your back pain?  
Have made it no worse Have made it much worse  
0    1    2    3    4    5    6    7    8    9    10
  
7. Over the past week, how much have you been able to control (reduce/help) your back pain on your own?  
Completely control it No control whatsoever  
0    1    2    3    4    5    6    7    8    9    10
